Fire Department – We would like to remind residential zone residents that the spring open burn period this year will be March 30<sup>th</sup> through May 30<sup>th</sup> and October 31<sup>st</sup> through October 30<sup>th</sup>. Both these time periods are subject to the weather conditions. R1 zones will be able to get their burn permits online at [air.utah.gov](http://air.utah.gov). Please remember to monitor your fire at all times while burning, always have a way to put it out quickly if needed. You are not allowed to burn anything that is not grown on your property. When finished make sure the fire is dead out before dark and never burn at night. Residents in an Agricultural

zone and with 5.25 acres or more an agriculture burn permit can be obtained by emailing: [genola.ag.burn.permit@gmail.com](mailto:genola.ag.burn.permit@gmail.com) Please include your name, address, phone number and estimated acreage and we will have one emailed back to you, these will be good for 2 years. As always, every fire will need to be called into the Utah County Burn line at 801-374-2876 they will advise you if it is a burn day or not. Be ready to give them your unique burn permit number that will be on the permit. Please read the permit as to what you can and cannot do, it is your responsibility to follow all conditions.
